

Liberty University for a Weekend April 10-13, 2014

www.LibertyCFAW.com

Open to Students in Grades 10-12

Lead by Stephen and Rebecca Oehlschlaeger

EVENTS

Attend Classes

At CFAW Check-In you will select a department class schedule catered to the degree area of your choice. Degree specific admissions sessions are on each schedule, make sure you attend one of these sessions to ensure that you know how to become a Liberty student!

Admissions Sessions

Friday afternoon you will have an opportunity to attend an Admissions Session so you can learn about the Admissions process at Liberty. During this time, we will tell you about valuable scholarships and will waive the \$40 application fee. You will also hear from faculty that can answer questions you may have about specific programs offered at Liberty University

We have designed Saturday's activities around an Admissions and Financial Aid Q & A and a Scholarship Search session. Campus tours are available as well as one-on-one meetings with admissions counselors. Sporting events, theater productions, and other campus events are available based on the season.

Concert
